a coloring book

Cozy Christmas Cottage

30 bold and easy pages for cozy winter nights

YOUR SHOP NAME

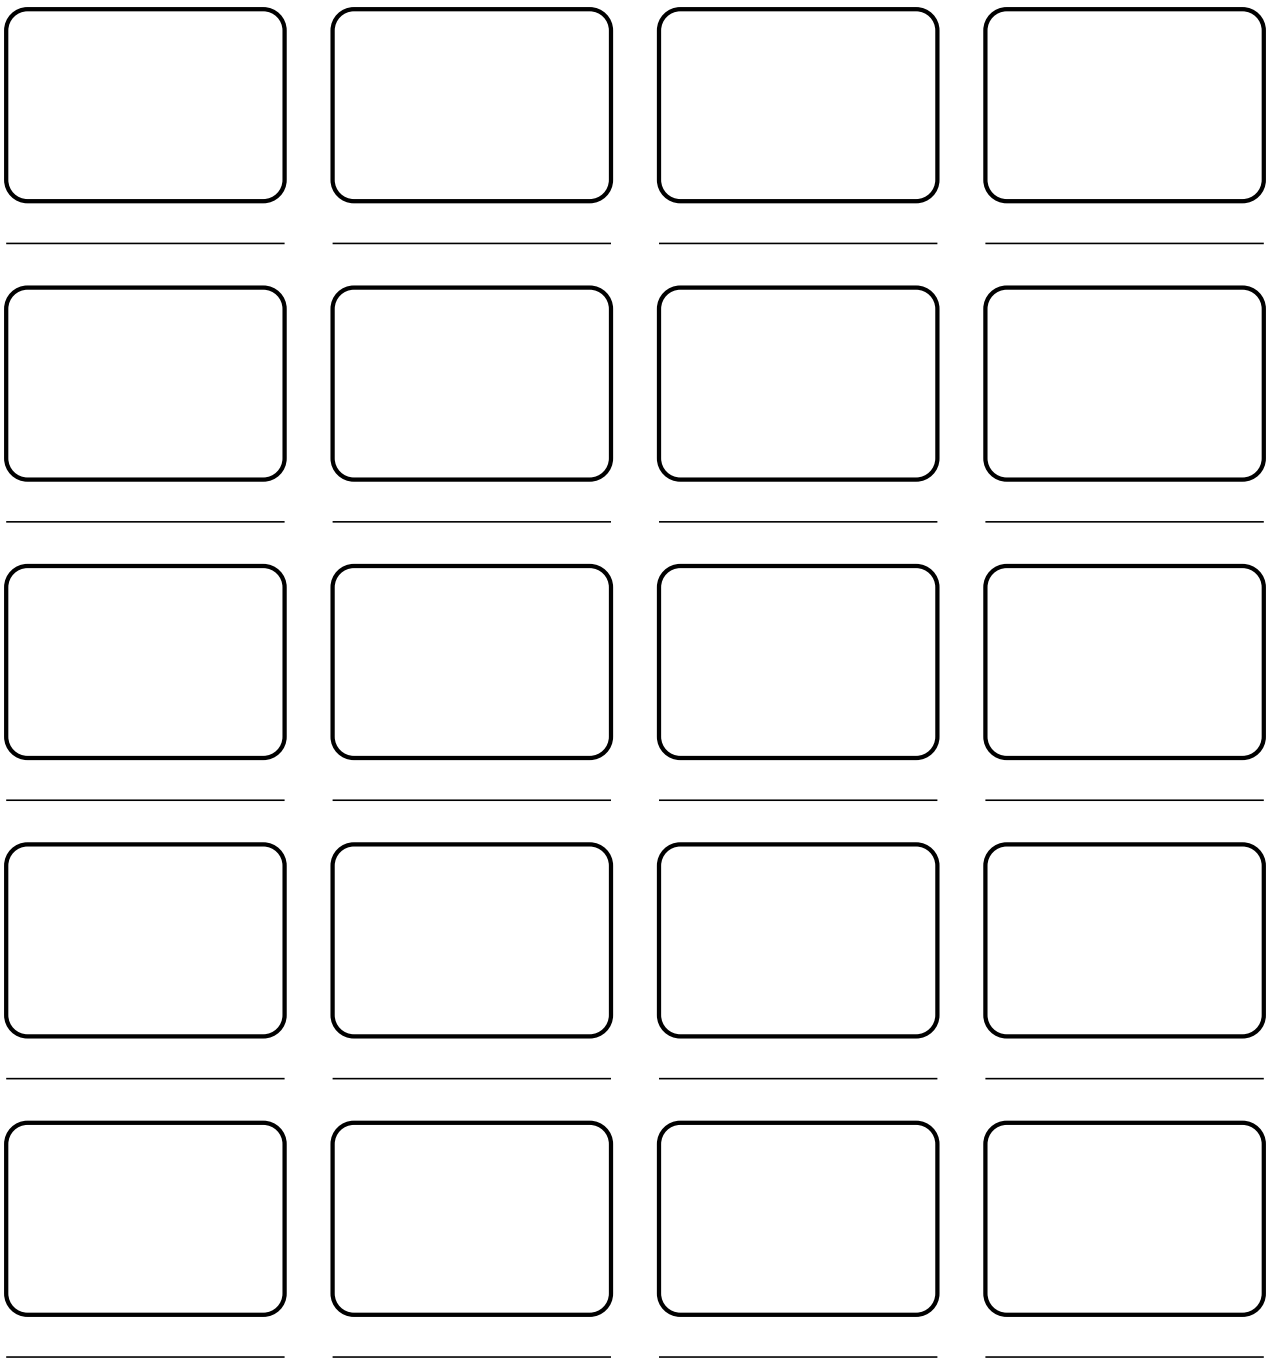

hello!

How to use this book

Print on thick paper (cardstock, 65-110 lb) if you use markers or paint.
Colored pencils and fine-liners work great on regular printer paper.
Each design has a blank back so markers don't bleed onto the next one.

Color test page

Try each pen, pencil or marker here before you start. Write its name under its box.

This page is left blank so colors don't bleed through.

This page is left blank so colors don't bleed through.

This page is left blank so colors don't bleed through.
